II. *Seminar for 40 CAR and political parties school teachers in Dir camps inside Pakistan by Bajaur P.M.T form Dec. 12 to Dec. 28, 1992*

According to our work plan this seminar was in Jan. 1993 not in Dec. 1992, but due to severe winter in the area and snow fall we changed this seminar to be in Dec. 1992 and the seminar of Kunar province to be in Jan. 1993. This is the remotest area in Bajaur where the teachers were untrained and requested the training to be done on the spot. The survey of the teachers had been done before and there were 40 teachers recruited for the seminar. Out of 40 teachers there 34 teachers belonging to CAR schools and 6 were from political parties schools. Among the teachers belonging to CAR schools their were 13 Pakistani teachers teaching in the refugees school who participated in the seminar.

In this seminar the following Bajaur P.M.T supervisors were teaching the related subjects:

1. Teaching aid materials and the teaching method of mathematics by A.Haq.
2. Teaching methods and the teaching method of Islamiat by Hadayatullah.
3. Educational and student evaluation by Ghulam Ali.
4. Educational psychology by Sayed Ahmad.
5. Child psychology and teaching method of language by Enayatullah.

The procedure of the seminar such as pre-seminar test, grouping of the trainees, materials distribution, and the process of the teaching learning activities were the same as Peshawar P.M.T.

At the end of the seminar Dec. 28, 1992 there was a graduation ceremony where the 40 teachers got there certificates with the materials provided to them by the organization for after training. At the end of the training each trainees had a set of teaching aid materials for the different subjects taught in the primary schools.

The list of seminar participants, material distribution, pre-seminar and sumative evaluation tests results are annexed. This way during the month of Dec. 1992 in two seminars we were able to train 77 primary school teachers professionally.

With best regard

REPORT OF THE SEMINARS IN LAGHMAN PROVINCE INSIDE AFGHANISTAN AND IN DIR INSIDE PAKISTAN

According to yearly work plan and the revised plan for the remaining 6 months of the contract P.M.T had two seminars to be held in Laghman province inside Afghanistan by Peshawar P.M.T and the other seminar in Dir camp in Pakistan by Bajaur P.M.T. Also Jalalabad P.M.T had to do practical work with the teachers in the capital of Nangarhar provinoe, and Peshawar female P.M.T had to work with 10 teachers in refugees girls school inside Pakistan. T.T.C had to start its 22nd session for 10 CAR school teachers, 10 teachers from Nangarhar province and 15 teachers from Laghman province of Afghanistan.

The activities of each sections of the project stared and ended according to the following order:

I. *Peshawar Pedagogic Mobile Team (P-P.M.T) seminar for 40 government teachers in Mehterlam capital of Laghman province inside Afghanistan*

Before making the plan for the remaining 6 months of the contract starting from Nov. 1992 this organization had contacted the provincial authorities of Laghman province related to the needs and possibility of training their teachers.

Based on that confirmation we sent Peshawar P.M.T to give the first training seminar to 40 government teachers in Laghman province inside Afghanistan. When the team reached Mehterlam the capital of Laghman they were introduced to the governor who treated them well and asked the director of education to arrange all the things needed for the seminar with regard to the place of training and related matter.

The dupty director of education alongwith P.M.T supervisors prepared the list of the teachers to participate in the first-seminar.

The session of the seminar as usual started by the recitation of verses from holi-Quran after which the chairman of the seminar Haji Sadullah gave the participants all the information about the seminar its contents and those who will guide the process of teaching. Also the rule and regulation of the seminar were explained. Included in the team were:

1. Haji Sadullah
2. M. Sadiq
3. M. Aman
4. G. Sadiq

To know about the professional back ground of the teachers a pre-seminar evaluation test were given to them. Based upon the results the teachers were homogeneously grouped into A and B, and the content of the seminar and presentation of materials were arranged according to the standard of the teachers. Afterward the teaching materials such as the booklets (printed) of methodology, child and educational psychology, educational evaluation, and the preparation and proper use of teaching aid materials were given to the teachers. The lecture notes related to the teaching methods of Islamiats, Language, mathematics and social studies were given to the teachers alongwith the teaching aid materials such as charts, posters, maps, rulers, scissors, geometric box, magic tape, and stationery like paper, notebook, pen pencils, maker, color pencil, glue etc..

Since the teachers had to teach in the morning, the seminar was for 15 days in the afternoon from 12:30 - 4:00 p.m with the exception of Thursday which was in the morning. Everyday there were 6 class hours all-together 90 class hours in the seminar. Each P.M.T supervisor in the seminar was teaching one or two professional subjects and model lessons in one of the primary school subjects in order to use the principles of professional subjects in teaching a lesson. This way during the first week parallel to the professional subjects (Teaching methods, child psychology, educational psychology, educational and student evaluation, and teaching aid materials) P.M.T supervisors were giving model lessons to the classes. First the teachers became familiar to the theory and secondly they were shown how to apply the information while teaching the primary school subjects.

During the second week the trainees were asked to give model lesson in front of their colleagues. In preparing the lesson plan and materials needed for the lesson the teachers were guided and helped by the P.M.T supervisors. This way the participants of the seminar were able to learn theory, use the theory in practical situation and prepare teaching aid materials from local and cheap materials, and from the materials given to them by this organization.

The process of the seminar went on normally and it was interesting for the teachers. The teachers and the related authorities showed great interest in the programme. I (Ahmadi) observed the classes of the seminar and asked questions I was convinced about the results and impact of the seminar the first of its kind in Laghman province inside Afghanistan.

There was enough cooperation from the governor office and the people in charge of education in the province with the pedagogic mobile team of Solidarite Afghanistan SOS/PG*BELGIUM.

Out of 40 teachers due to some personal problems only 3 teachers were dropped. 37 teachers got their certificates. The graduation ceremony was on Dec. 29, 1992 in one of the classes where the seminar took place. The ceremony started again with the recitation of verses from holi-Quran by one of the participants. After the recitation Amir M. Ahmadi pedagogic director of Solidarite Afghanistan SOS/PG*BELGIUM stated the activities of the organization in the refugees camps and inside Afghanistan since its establishment in summary form.

Laghman was the third province where SAB started the training of the government teachers inside Afghanistan Ahmadi said.

After Ahmadi the chief Judge of the province by the name of Raz Mohammad explained to the audience the importance of education to men and women according to Islam in which he said the teachers are the main factor.

One of the participants of the seminar by the name of M. Dawar spoke on behalf of his colleague and appreciated the programme of SAB teachers training. He promised that the trained teachers will use their training at the services of Afghan children to become the builders of the destruction.

The teaching aid materials and administrative material for head teachers prepared by the organization to be distributed after training were distributed by Peshawar P.M.T supervisors to teachers.

The certificates were distributed by Amir M. Ahmadi and P.M.T supervisors.

At the end Mulawi Mohammood Shah in charge of central mosque read the prayer for peace and prospecty in Afghanistan and all over the world.

The timetable of the seminar, the list of teachers, and materials distribution are annexed.
